Executive Board Meeting

April 29, 2013

Agenda

I. Presidents' Report

After careful consideration and much discussion Mike put forth the idea of staying in MYSL as opposed to pursuing the move to BAYS. Bob made the motion to stay, Alison seconded. We would like to take this opportunity to thank Ian for all the hard work he did which provided us with the data to make an informed decision.

Evaluations going out. U16 co-ed league is averaging about 12-15 people a week.

II. Vice Presidents Report

Julie reports that in town will be moving to Friday night in the fall. Practice email went out to parents and coaches. MPS is experiencing lots of issues with their VISAS, therefore there is a shortage of MPS coaches available. Goalie clinic is moved to Monday for u10 and under and Wednesday for u16 and under, 5-6pm

III. Treasurers Report

Solid balance; waiting on MBS bill which should be lower than anticipated due to the coaching shortage described above. \$1,300 has been refunded to families, snack bar is breaking even.
